Dear Mr. Johnson:

In response to your letter of January 5, 1981, we accept your generous invitation to brief myself, staff and members of the Advisory Panel on the development of the Wideband Bus Communications System. Such a briefing would be most valuable as we proceed with our own design.

I would appreciate it if you or your staff would contact Ken Showalter, Staff Director, Policy Group on Information and Computers to make arrangements. Ken can be reached at 225-5428.

With best wishes.

Sincerely,

Charlie Rose, Chairman
Policy Group on Information
and Computers
